Understanding the Policy

This PDS is an important document. Please read it carefully before making a decision.

It will help You to:

- decide whether this insurance will meet Your needs; and
- compare it with other products You may be considering.

Please note that any recommendation or opinion in this document is of a general nature only and does not take into account Your objectives, financial situation or needs.

You need to decide if this insurance is right for You and You should read all of the documents that make up the Policy to ensure You have the cover You need.

Your insurance contract with Us

Where We agree to enter into a Policy with You it is a contract of insurance between Us and You.

The Policy consists of:

- this PDS which sets out the standard terms of Your cover and its limitations,
- any applicable Supplementary PDS (SPDS) we issue that varies it;
- Your current Schedule. Your Schedule shows the insurance details relevant to You. It may include additional terms, conditions and exclusions relevant only to You that amend the standard terms of this document. Only those sections shown as covered in Your Schedule are insured; and
- any other document we tell you forms part of the Policy otherwise advised by Us in writing at or prior to commencement of the policy or when required or permitted by law, which may vary or modify the above documents.

These are all important documents and should be carefully read together and kept in a safe place for future reference.

Any new or replacement Schedule We may send You, detailing changes to Your cover or the Period of Insurance, will become the current Schedule, which should be carefully read and retained.

Cover is provided on the basis:

- that You have paid or agreed to pay Us the premium for the cover provided; and
- of the verbal and/or written information provided by You which You gave after having been advised of Your Duty to take reasonable care not to make a misrepresentation either verbally or in writing.

The value We apply to Your Vehicle

We insure Your Vehicle for Market Value. The value that applies to Your Vehicle will be shown on Your Schedule.

Market Value

Market Value is the cost to replace Your Vehicle with a vehicle of the same make, model, age and condition as Your Vehicle immediately prior to the loss or damage but excluding costs and charges for registration, CTP insurance, stamp duty transfer, dealer warranty costs or transfer fees or dealer delivery.

Your premium

In return for paying or agreeing to pay Us Your premium, We will provide the cover that You have chosen. Your premium will be based on Our view of the likelihood of a claim being made on Your Policy during the term of the Policy.

When We work out the premium We look at a number of factors that have over time been shown to be a good determinate of the likelihood of a claim being made. Some of these factors include the type of Vehicle You have, its value, where it is kept and relevant claims and incident/Accident history.

Minimum premiums may apply. In some cases, discounts/entitlements may apply if You meet certain criteria We set. Any discounts/entitlements may be subject to rounding and only apply to the extent any minimum premium is not reached. If You are eligible for more than one, We also apply each of them in a predetermined order to the premium (excluding taxes and government charges) as reduced by any prior applied discounts/entitlements. Any discounts/entitlements will be applied to the base premium calculated prior to any taxes being added.

Your premium also includes amounts that take into account Our obligation to pay any relevant compulsory government charges, taxes or levies (e.g. Stamp Duty, GST, Emergency and Fire Services Levy) in relation to Your Policy. These amounts will be set out separately on Your Schedule as part of the total premium payable.

In cases where We are required to pay an estimated amount (e.g. for Fire Services Levies) based on criteria set by the Government, We allocate to the Policy Our estimate of the amount We will be required to pay. We may over or under recover in any particular year but We will not adjust Your premium because of this. You can ask Us for more details if You wish.

When You apply for this insurance, You will be advised of the total premium amount payable, when it needs to be paid and how it can be paid. This amount will be set out in the Schedule. If You fail to pay, We may reduce any claim payment by the amount of Premium owing and/or cancel the Policy in accordance with the process set out in the "Cancellation rights under Your policy" section.

Fourteen day cooling off period

You have a cooling off period of fourteen (14) days from the date You purchase this insurance. If You cancel Your Policy during this period We will refund the premium paid by You if You have not made a claim or an event has not occurred that could give rise to a claim.

We may deduct from Your refund amount any government taxes or duties We cannot recover.

When the Policy ends

Your Policy will end at the earliest of the following:

- the expiry date shown on Your Schedule;
- on cancellation of Your Policy; or
- where We have agreed to pay a claim for the full sum insured for the relevant property.

Renewal procedure

Before Your Policy expires We will advise You whether We intend to offer renewal and if so on what terms.

This document also applies for any offer of renewal We may make, unless We tell You otherwise.

It is important that You check the terms of any renewal offer before renewing to satisfy Yourself that the details are correct. In particular, check the sum insured amounts and Excess(es) applicable and to ensure the levels of cover are appropriate for You.

Your Duty to take reasonable care not to make a misrepresentation

You must take reasonable care not to make a misrepresentation to Us. This responsibility applies until We issue You with a Policy for the first time or agree to renew, extend, vary/change, or reinstate Your Policy.

You must answer Our questions honestly, accurately and to the best of Your knowledge.

A misrepresentation includes a statement that is false, partially false, or which does not fairly reflect the truth. It is not misrepresentation if You do not answer a question or if Your answer is obviously incomplete or irrelevant to the question asked.

The responsibility to take reasonable care not to make a misrepresentation applies to everyone who will be insured under the policy. If You are answering questions on behalf of anyone, We will treat Your answers or representations as theirs.

Whether or not You have taken reasonable care not to make a misrepresentation is to be determined having regard to all relevant circumstances, including the type of insurance, who it is intended to be sold to, whether You are represented by a broker, Your particular characteristics and circumstances We are aware of.

If You do not meet the above Duty, We may reject or not fully pay Your claim and/or cancel Your Policy. If the misrepresentation was deliberate or reckless, this is an act of fraud, and We may treat Your Policy as if it never existed.

If Our information or questions are unclear, You can contact Us via the details on the back cover or visit www.allianz.com.au/misrepresentation

Governing law

Your Policy is governed by the law of the state of Australian State or Territory where the Policy is issued.

Notwithstanding any provision to the contrary within the Policy or any endorsement thereto, the Policy excludes and does not cover death, injury, illness, loss, damage, cost or expense directly or indirectly caused by, contributed to by, resulting from or arising out or in connection with any act of terrorism, as defined herein, regardless of any other cause or event contributing concurrently or in any other sequence to the loss.

An act of terrorism includes any act, or preparation in respect of action, or threat of action designed to influence the government de jure or de facto of any nation or any political division thereof, or in pursuit of political, religious, ideological or similar purposes to intimidate the public or a section of the public of any nation by any person or group(s) of persons whether acting alone or on behalf or in connection with any organisation(s) or government(s) de jure or de facto, and which:

General Conditions applicable to the Policy

Obligation to comply with the Policy terms and conditions

You are required to comply with the terms and conditions of the Policy. Please remember that if You do not comply with any term or condition, We may (to the extent permitted by law) decline or reduce any claim payment to the extent We are prejudiced by Your noncompliance and/or cancel the Policy.

Do not admit liability

You must not:

- admit guilt or liability, or make a promise or offer of payment in connection with any claim. If You do, We may reduce or refuse Your claim to the extent We are prejudiced by Your admission, promise or offer; or
- offer or agree to settle any claim, without Our written consent.

If the claim is for legal liability, You may make a written request to Us to agree that You are covered in respect of the claim. If You do, We may reduce or refuse Your claim to the extent We are prejudiced by Your offer or agreement.

Keeping evidence of the value of the insured property

You should keep evidence of the value of all property covered under the Policy. You should also keep evidence of the amount of any accidental loss, damage or destruction.

Prevention of loss or damage

We may not pay a claim if You do not take all reasonable precautions to prevent injury, loss or damage, including securing Your Vehicle against unauthorised entry when it is unattended. This includes removing the keys and locking the Vehicle. It is a condition of the Policy that Your Vehicle is kept in good repair. We may reduce or refuse a claim to the extent that Your Vehicle's state of repair contributed to or caused the loss.

Making a claim

Assisting Us with Your claim

You must assist Us with a claim. This means give Us all the information and assistance with the claim which We may reasonably require. If You do not We may not pay the claim (in whole or in part) or provide cover.

If We have the right to recover any amount payable under the Policy from any other person, You must take reasonable steps to co-operate with Us in any action We may take.

When You are at fault

You are at fault if You:

- are responsible for the Accident; or
- contributed to the cause of an Accident.

What We pay for

If We agree to settle a claim, We will:

- decide whether to repair Your Vehicle;
- pay the reasonable cost of repairing Your Vehicle;
- pay the Market Value;
- pay any other benefits that apply; and/or
- deduct any amounts that apply to the Policy such as an Excess or unpaid premium.

How We will settle a claim for Your Vehicle

We may choose to settle a claim for loss or damage to Your Vehicle in any of these ways.

Repair Your Vehicle

We can arrange for one of Our selected repairers to repair Your Vehicle or You can arrange for Your own repairer. To see what happens when a decision is being made on a repairer see the section "Choosing a repairer".

Pay You the reasonable cost of repairing Your Vehicle

Rather than repair Your Vehicle We can choose (acting reasonably) to pay You the reasonable cost of repairing it. To see what happens when a decision is being made on a repairer see the section "Choosing a repairer".

Pay Your claim as a Total Loss

We may pay out Your claim as a Total Loss when We consider Your Vehicle to be a Total Loss or We choose to do so. If We pay out Your claim as a Total Loss, then cover for that Vehicle under the Policy comes to an end and there is no refund of premium to You for any unexpired Period of Insurance for that Vehicle.

For Comprehensive insurance We pay the Market Value less:

- the Excess; and
- any unpaid premium for that Vehicle.

We will keep the Vehicle. At Our discretion (and if safe to do so), You may reclaim the Vehicle if You agree to pay the salvage price.

Paying for other benefits

If We agree to pay You other benefits under the Policy, We will pay the reasonable cost. We will repair, replace or pay the relevant loss or damage (as applicable) up to the maximum amount that applies under the benefit.

What happens to Your Vehicle?

Recovered Vehicles

If We settle Your claim under Comprehensive insurance and it is a Total Loss and Your Vehicle is later recovered We will usually keep the recovered Vehicle. At Our discretion (and if safe to do so), You may reclaim the recovered Vehicle if You agree to pay the salvage price.

Damaged property

If We settle the claim for a damaged item then it becomes Our property. At Our discretion (and if safe to do so), You may reclaim the damaged property if You agree to pay the salvage price.

Payments to the credit provider

If We pay You for a claim on Your Vehicle that is under a finance arrangement, We first pay the credit provider the lower of these amounts after deducting any Excess and any other deductions that apply:

- the Market Value;
- the cost of repairing Your Vehicle; and
- the balance owing to the credit provider under the finance arrangement.

If the credit provider is entitled to the salvage of the Vehicle, We will deduct the estimated salvage value of the Vehicle from any amount We pay them.

However We will only pay the credit provider if they:

- are noted on Your Schedule; and
- give Us any help We reasonably ask for.

If We make a payment to a credit provider, then that payment discharges Our obligation to You under Your Policy for the amount paid.

If We decide to settle Your claim as a Total Loss, before We settle Your claim:

- We will check the Personal Property Securities Register to confirm whether any money is owing on Your Vehicle; and
- You must settle any finance arrangement over Your Vehicle and remove it from that register or agree for Us to pay (and provide all information We reasonably require to pay) the settlement amount (up to the outstanding balance on the finance arrangement) directly to the credit provider.

GST notice

The Policy has a GST provision in relation to Your premium and Our payment to You for claims. It may have an impact on how You determine the amount of insurance You need. Please read it carefully.

Seek professional advice if You have any queries about GST and Your insurance.

Sums insured

All monetary limits in the Policy may be adjusted for GST in some circumstances (see below).

Claim settlements – Where We agree to pay

When We calculate the amount We will pay You, We will have regard to the items below:

Acquisition of goods, services or repairs

Where You are liable to pay an amount for GST in respect of an acquisition relevant to a claim (such as services to repair a damaged item insured under the Policy) We will pay for the GST amount.

We will pay the GST amount in addition to the sum insured/limit of indemnity or other limits shown in the Policy or in Your Schedule (unless We state GST is included in sum insured or Limit of Indemnity).

If the sum insured/limit of liability is not sufficient to cover the loss, We will only pay the GST amount that relates to Our settlement of the claim.

We will reduce the GST amount We pay for by the amount of any input tax credits to which You are or would be entitled.

Payment as compensation

Where We make a payment under the Policy as compensation instead of payment for a relevant acquisition, We will reduce the amount of the payment by the amount of any input tax credit that You would have been entitled to had the payment been applied to a relevant acquisition.

Disclosure – Input tax credit entitlement

If You register, or are registered for GST, You are required to tell Us Your entitlement to an input tax credit on Your premium. If You fail to disclose or understate Your entitlement, You may be liable for GST on a claim We may pay. The Policy does not cover You for this GST liability, or for any fine, penalty or charge for which You may be liable.

Recovery against another party

We have the right to recover from any person, in Your name, the amount of any claim paid under the Policy and We have full discretion in the conduct, settlement or defence of any claim in Your name. We will act reasonably having regard to Your interests, and will keep You informed if You ask Us to. If We recover more than the amount We have paid to or on behalf of You, We will pay You the balance.

The amount of any Excess You have paid will only be refunded when Your claim is recoverable.

Repairing Your Vehicle

If We choose the option of repairing Your Vehicle, We will decide (acting reasonably) the best way of repairing any damage that exists.

In order to be sure that You are covered under this policy You should always contact Us for approval before You incur expenses You wish to claim. If You do not, We will pay for expenses incurred up to the amount We would have authorised had You sought approval from Us first.

Choosing a repairer

Allianz can assist in selecting a suitable repairer to repair the damage to Your Vehicle. You also have the right to choose Your own repairer. In both instances We will work closely with the repairer to strive to achieve the best repair outcome for Your Vehicle, however We may require a second quotation from a repairer chosen by Us. We will then choose (subject to any relevant Policy limits and acting reasonably) to:

- authorise the repairs at the repairer of choice;
- pay You the reasonable cost of repairing Your Vehicle; or
- move Your Vehicle to a repairer we both agree will repair Your Vehicle. In the instance that we both agree to move Your Vehicle We will provide You with a rental car for up to three days in addition to any other benefit provided under Your Policy. The maximum We will pay for the rental car is \$100 per day.

Authorising repairs

You may only authorise emergency repairs as detailed under the "Emergency repairs" benefit. You should not authorise further repairs to Your Vehicle without Our prior consent.

Before We make a decision regarding a claim and repairs to Your Vehicle, We may need to inspect Your Vehicle. A motor vehicle assessor will be appointed by Us. We or Our assessor will make the necessary arrangements with You.

Where diagnosis (such as the stripping of engine) is required to determine if there has been Accidental Damage covered by the Policy, if You or We incur costs for such diagnosis and reassembly and the claim is accepted as valid by Us, We will bear these costs subject to the applicable sum insured/limits of liability.

Parts used to repair Your Vehicle

If We are unable to repair the part, We use new, recycled or reconditioned parts that meet the requirements of Australian Design Rules (ADR). If such parts are not available or appropriate, parts from alternative distribution channels may be used.

We will not pay any amount greater than the maker's last list price in Australia (together with a reasonable charge for fitting) for the supply of any spare part, extra or accessory.

In the event that any spare part, extra or accessory cannot be obtained within a reasonable time, We may choose to pay You the value of the spare part, extra or accessory (together with a reasonable charge for fitting) rather than supply the spare part, extra or accessory.

Guarantee on repairs

We guarantee materials and workmanship on repairs We authorise for as long as You own or lease Your Vehicle. This guarantee is not transferable.

Unrepaired damage

If Your Vehicle had any unrepaired damage before an incident, then You may need to contribute to the repair costs. Before We ask You to contribute We will explain why, tell You how much it will be and how to pay it prior to the authorisation of any repairs.

You need to do this when the damage caused by the incident results in Us having to repair more areas of Your Vehicle that were affected by the unrepaired damage.

Undamaged areas

We will not repair undamaged areas of Your Vehicle that have not been affected by damage caused by the incident to ensure a uniform appearance. However, We will make best efforts to use the nearest available equivalent to the original materials or items.

Our Excesses

Excesses payable

There are different types of Excesses which may apply to You or the driver of Your Vehicle at the time of the incident giving rise to a claim. These Excess types are shown in Your Schedule under the heading "Excesses".

You may have to pay more than one Excess.

Basic Excess

The basic Excess is the amount You must pay as a contribution to each claim. The amount of the basic Excess will be shown in Your Schedule beside the heading "Basic Excess". If We settle Your claim by cash settlement We will deduct the Excess from the amount We pay You. In other circumstances, You may need to pay the Excess as a contribution to the repair or replacement.

Age Excess

If a claim is made for an Accident when Your Vehicle was being driven by or was in the charge of a driver under the age of 25 years, You must pay the age Excess shown in Your Schedule in addition to the basic Excess.

Inexperienced driver Excess

You will need to pay the inexperienced driver Excess shown in Your Schedule in addition to the basic Excess payable if a claim is made for an Accident when Your Vehicle was being driven by or was in the charge of a driver over the age of 25 who has not held an Australian driver's licence required to drive the subject Vehicle for at least 2 years.

You will not have to pay any young driver (age), or inexperienced driver Excess if the claim is for any of the following:

- windscreen or window glass damage only;
- theft;
- hail, storm or flood damage;
- Malicious Damage; or
- damage to Your Vehicle while parked.

When You do not have to pay an Excess

You will not be required to pay the basic, age and/or inexperienced driver Excess if the Accident which gave rise to the claim was the fault of the driver of the other vehicle and You can

- supply the name and address of that driver,
- provide us with the registration number of the vehicle, or
- give us any other information that would reasonably allow Us to identify the person so that We can exercise Our rights of recovery.

Changes to Your Policy

You must tell Us as soon as reasonably possible if during the Period of Insurance:

- there have been any circumstances which could give rise to a claim under the Policy; or
- Your Vehicle is modified in a manner that affects its value or performance in any way.

When We receive this information, We may:

- propose to alter the terms and conditions of the Policy with Your agreement; or
- propose to charge You additional premium; or
- decide not to offer to renew the Policy.

We may cancel Your policy if there is a change and We can't reach an agreement with You on altered terms and conditions or premium, or We are no longer prepared to insure You because there has been a material change to the risk.

If You do not provide the information as soon as reasonably possible We may refuse or reduce a claim to the extent We are prejudiced by that delay or non-disclosure.

Cancellation rights under Your Policy

You may cancel the Policy at any time by telephoning Us. We have the right to cancel the Policy in certain circumstances.

These include:

- if You failed to comply with Your Duty to take reasonable care not to make a misrepresentation;
- where You have failed to comply with a provision of Your Policy, including a term relating to payment of premium;
- where You have made a fraudulent claim under Your Policy or under some other contract of insurance that provides cover during the same period of time that the Policy covers You; or
- where We are otherwise permitted to do so by law.

If We cancel the Policy We may do so by giving You three business days' notice in writing of the date from which the Policy will be cancelled.

We will give You written notice via one of the following ways:

- give it to You or Your agent in person;
- deliver it electronically where We are allowed by law; or
- post it to the address last notified to Us.

If You or We cancel the Policy We may deduct a pro rata proportion of the premium for time on risk and any government taxes or duties We cannot recover.

In the event that You have made a Total Loss claim under the Policy and We have agreed to the claim, no return of premium will be made.
